MI  
VERSICULO

The diagram shows a central, light-colored, rounded rectangular structure. A horizontal line divides this structure into two equal halves. The text "MI" is positioned in the upper half, and "VERSICULO" is in the lower half. This central structure is flanked by two white rectangular boxes, one on the left and one on the right. These boxes are connected to the central structure by thin horizontal lines. The entire diagram is set against a light gray background.
